Hi Mr. Wilson,

Is this the final position of the City of Los Angeles? That the CPRA does not require you to make records available for inspection but that it is allowable to require me to take possession of an unlimited quantity of paper records? I won't insult you by quoting the explicit applicable language from the statute.

I did ask you to respond by tomorrow, and I will certainly wait till after then to take action, but perhaps Mr. Waldman, having CCed you, is speaking for the City on this issue. If that's the case, I hope you will let me know.

Thanks!
